

a trigger warning
must now be issued
for themes of sexual
violence that will be
explored in this work

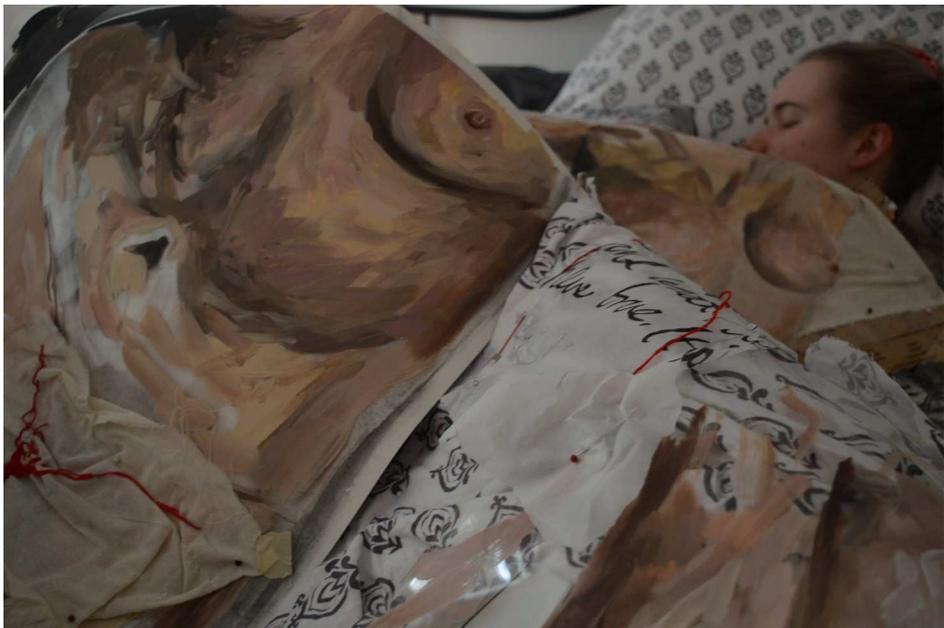

I want to read my book
by *sleeping* in it. In
this book you will *view*
my performance of reading
untitled nine, a collection
of stories *and* experiences
disjointed in nature, but
processed through sleep.

been taught
I always thought that and people
places were supposed to save me from
life of failure. But he was
protecting himself when he came
me the day after and asked
to remain silent. I didn't because
I was and had full respect
in the first place.
of him

always learned
well and you
suppose
the world

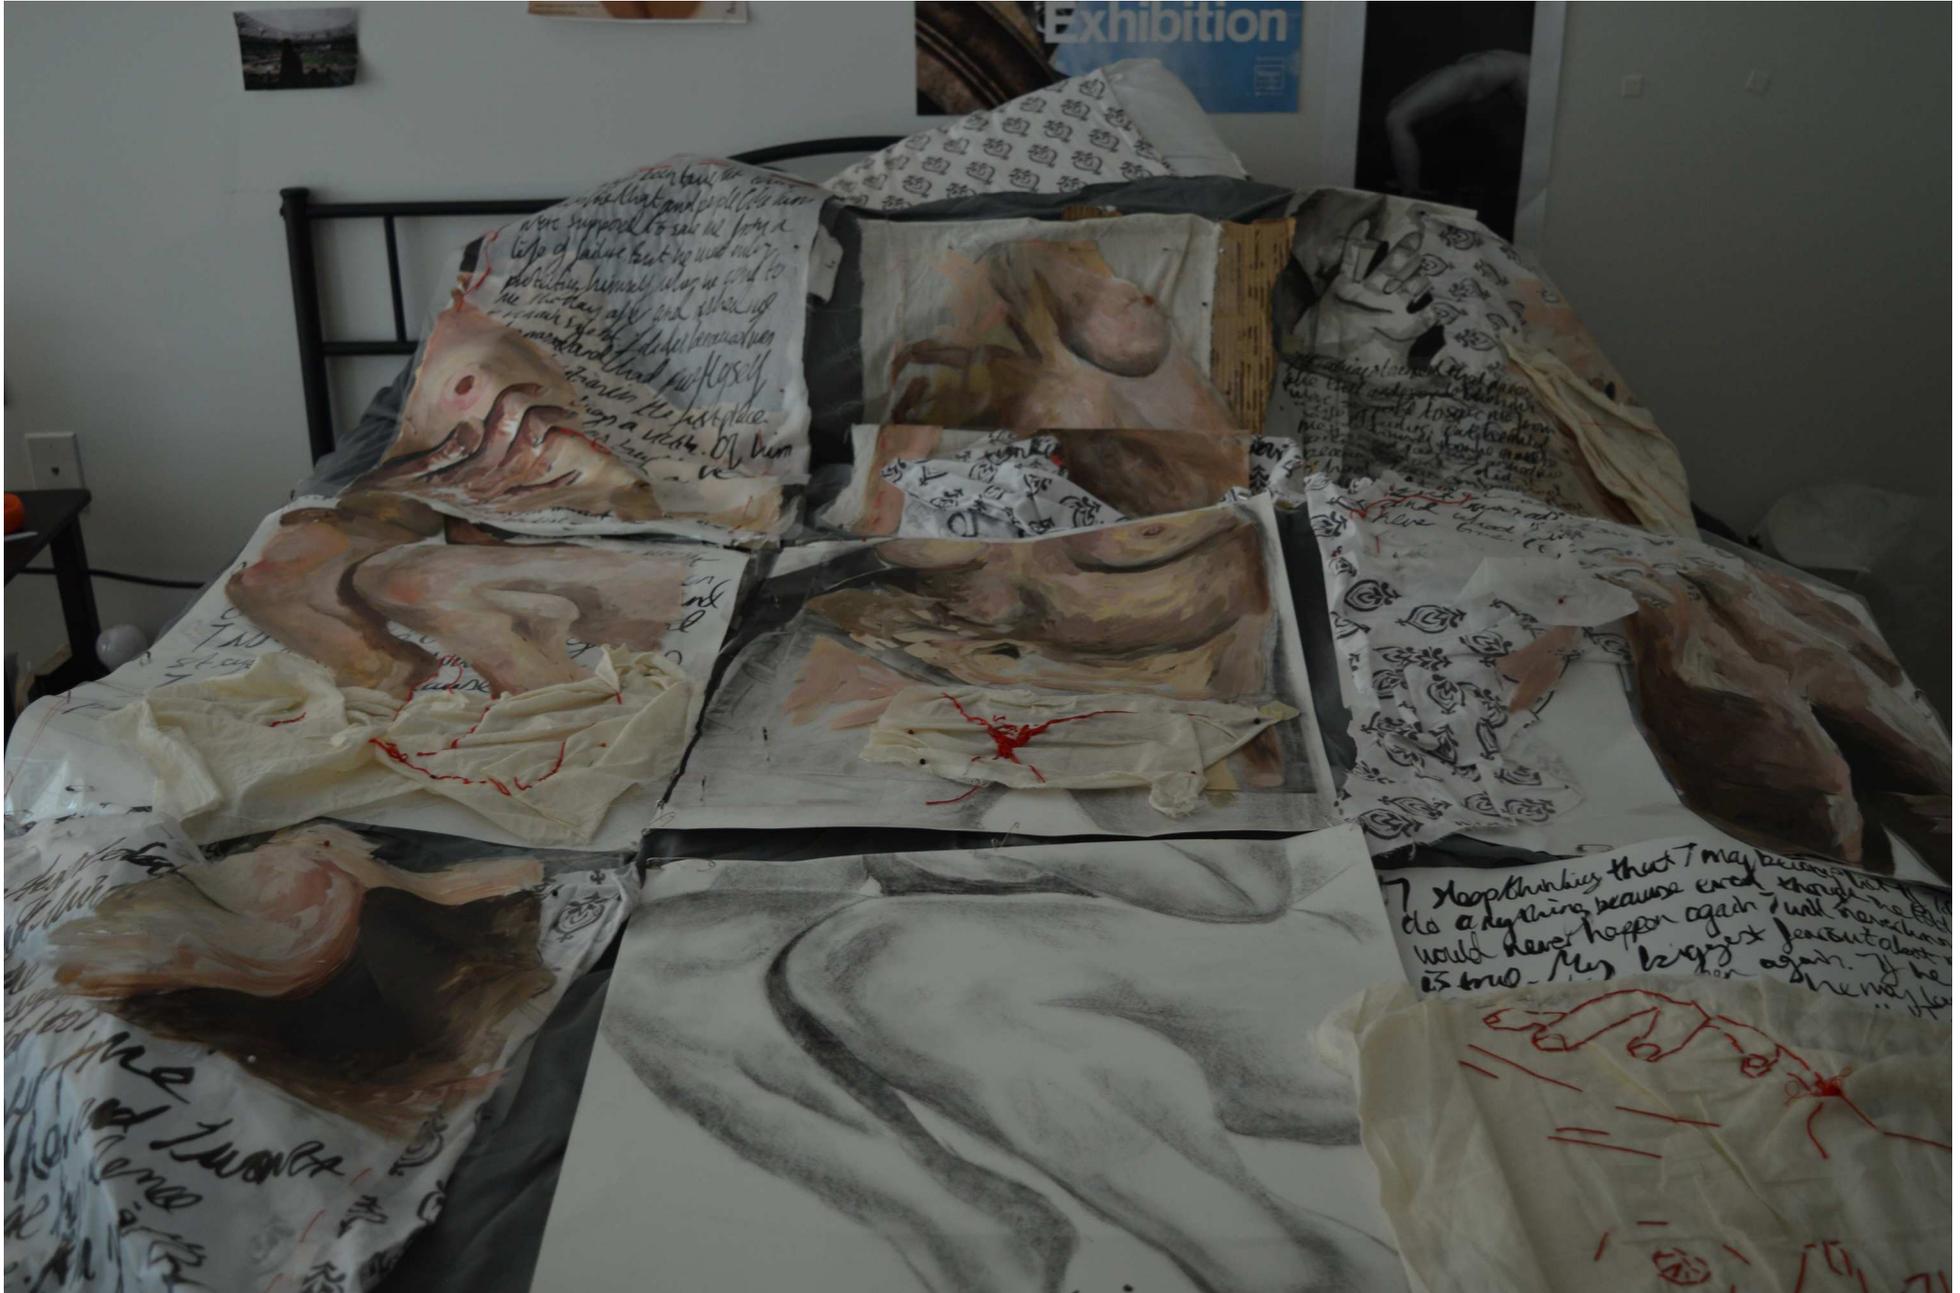

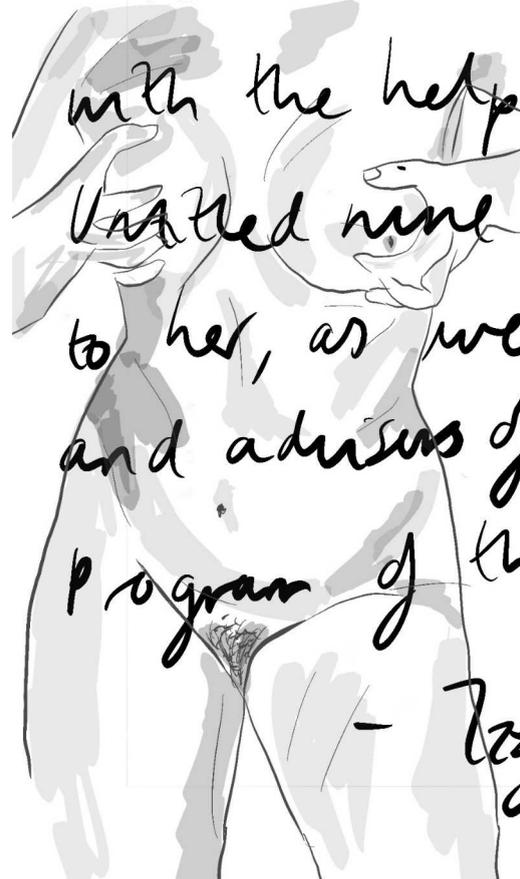

The images of this performance
were documented on Dec 6, 2010
with the help of Sammi Lee '12
Unrattled mine is dedicated
to her, as well as the staff
and advisors of Princeton University's
Program of the Visual Arts
